STARTING LINEUP

CUSTOM HEADWEAR & COLD WEATHER KNITS

Be Original.®

INTRODUCING OUR 2022 STARTING LINEUP

These 12 hats & cold weather knits cover your needs for any sport and are designed to be worn on-the-field, by coaches on the sidelines or as spirit wear for the fans in the stands. Each Starter is a specific silhouette designed in a particular fabric that is currently popular in the marketplace.

Customize a Starter as shown by selecting your team's color scheme and adding your team logo or Be Original® by customizing the silhouette options and adding a custom add-on to create a hat that is truly unique. Our headwear's superior fit, unmatched design flexibility and first-class embroidery quality will leave your team looking good, feeling good and playing good.

HOW TO ORDER

STEP #1 *PICK YOUR STARTER*

Select your Starter from our collection of a dozen Starting Lineup hats and cold weather knits.

STEP #2 *ADD YOUR LOGO AND TEAM COLORS*

Change the fabric colors to match your team colors. Next, affix your team logo or customize one of our drop graphics in the embroidery option of your choice.

STEP #3 *UNMATCHED DESIGN FLEXIBILITY*

Our unmatched design flexibility allows you to not only change colors, but change the panels, crown, visor and closure options. Customize your hat by adding a Custom Add-On.

STEP #4 *PLACE YOUR ORDER*

Call our customer service team at 877.345.5110 or by email at teamorders@pukkainc.com to place your low minimum order for the upcoming season.

PICK YOUR TEAM COLORS

Our Custom Headwear Program's unmatched design flexibility allows you to outfit your team in your team colors for home, away and even design an alternate look for a third uniform or an off-the-field look for the team. Popular trends include incorporating one, two or three color designs using our **FREE** Contrast Color Options. Interchange colors and fabrics in the panels, eyelets, stitching, button, visor and undersvisor by the dozen in a 24-piece order. Eighteen piece orders must utilize the same fabric and color on every hat.

EXPECT PERFORMANCE OUT OF YOUR HEADWEAR

Our Custom Headwear Program features several performance fabrics with different technical properties such as moisture-wicking, breathability, lightweight and sun protection. Using these fabrics on-the-field allows your headwear to perform for you no matter the climate.
