FABRIC & COLOR PALETTE

FABRIC COLOR DISCLAIMER. Please note that this representation of fabric color is limited by the 4-color printing process, and should be used for general guidance purposes only. Variation in computer displays, printers and varying lighting conditions may cause colors to display or print incorrectly. Not all actual colors match across all fabrics and some fabric tones can change due to shifts in material content. For critical shade standard assessment, please ask your local sales rep to see their fabric swatch book.

HEADWEAR PROGRAM

From concept to creation, fully custom headwear built stitch-by-stitch.

Pukka's approach to custom headwear is powered by a proprietary business model built around design flexibility and low minimums. Through our Custom Headwear Program, you control every detail of the design process in six easy steps. Choose from popular styles and silhouettes, select fabrics and colors, customize with embroidery and appliques, explore custom add-ons and take advantage offree contrast color options. Create a versatile headwear collection tailored to your brand, maximizing product variety and driving sales.

Low Minimums With More Possibilities
Enjoy low minimums with most silhouettes requiring just 48 pieces per style and 12 per fabric and color combination.

Quick Production
Once the artwork is approved, every custom headwear order is produced and delivered in an unmatched 30-day timeframe.

Unmatched Flexibility
We coined the term "multiple looks within one order." Learn more about Pukka's unmatched flexibility by the dozen on page 5.

No Hidden Fees
We pride ourselves on a lot of things and one of them is no hidden art or digitizing fees.

Free Contrast Color Options
Take advantage of our *FREE* Contrast Color Options to create multiple looks within a low minimum order.

Industry's Leading Creative Team
Our team of skilled graphic designers will work with you to bring your creation to life by producing detailed visual renderings and ultimately final artwork approval.

Unlimited Stitch Count
There is no limit on the stitch count when digitizing your logo regardless of its complexity.

Superior Embroidery Quality
Flat panel embroidery techniques allow us to put your logo almost anywhere on the hat and execute the best-in-industry quality embroidery each and every time.

Popular Looks
Each headwear silhouette page features Popular Looks, combining on-trend designs with the flexibility to make each style your own. Our product design team takes the guesswork out of choosing what's popular, offering curated headwear combinations inspired by current market trends without sacrificing customization. Build your order using our suggested fabric and color options, or explore our Style Guide to create your own unique combinations.

Pukka Speed Eligibility
Eligible Adjustable or Stretch-Fit Hats, with Embroidery or Woven Labels, will feature this Pukka Speed icon, identifying them as part of the Pukka Speed Program. These select styles can be ordered in 24-Piece Minimums and delivered in just 13 business days after artwork approval. Look for this icon to know which popular looks qualify for this fast and reliable turnaround.
